“ Occasionally, we are graced with the presence of an earth bound Angel.

They are unable to stay with us for long, but while they do, they bring unprecedented joy and happiness to all they touch.

While they are here, we bask in their goodness and marvel at their contribution to the world.

When they leave, we are left with the devastation that comes with losing such a wonderful being, but we must remember the earth bound Angels are not ours to keep.

They are ours to enjoy, learn from, and behold until they return home.##imported-begin##Karen Claiborne##imported-end##

“ Our prayers are that you experience the presence of the Holy Spirit, our Comforter and that the peace of God be with in your time of mourning. I thank God for using a friendly and compassionate person such as Francine during my time of mourning. So my prayers are for you and your family. Trust God and know that He cares and wants you to cast your cares upon Him. In JESUS name we pray. Amen Proverbs 3:5-6##imported-begin##Anthony & Janice Tucker##imported-end##
