“ *BIG MA...I just want to send some love in your memory to my family. The rock of the family has went on to Glory. and since then we have lost some more loved ones tragically and quickly. But GOD is still good and he makes no mistakes.
I look at it as you have been watching over your children all along!!!
Before the trials of this world could weigh them down you welcomed your granddaughter and your first born home with you.
BIG MA I miss you ..& will always Love you*
