“ *Hey Little Sis, I just want you to know that you are an inspiration to me, as you rose to the challenge of caring for your mom, I am so proud of you. Momma Pearl was little and feisty, but sweet as pie and I am blessed to have known her. Praise God for the rest that he has granted to the both of you. I love you much, I wish I could be there for the Homegoing Celebration but know that you are in my prayers. Love your big Sis Dee###imported-begin###De'Leathia Hightower###imported-end###*

“ *Thank You for all the unconditional love, encouragement, and Apple crumb pie. All the Aunts in the family are known for their special receipts, (i.e. gumbos, dirty rice's, okras, mac & cheeses, cakes, and pies.) Just like the dessert you made you are, sweet, flavorful, and always to be expected to be around. Although your body may be gone, your spirit will always live on in our fondest & sweetest memories.*

“ To my little sister Kim and my Niece "Kayla" Thank you both for all the sacrifices you've made for the past six years. I know a mothers love is only surpassed by the love of God. Mom truly loved her family and your unwaivering dedication to her care demonstrates your unconditional love for her. So I applaud you, for doing what came natural returning the love and care she'd given you. God bless you and I love you!###imported-begin##Faye Jordan###imported-end##

“ Please accept my condolences. It is very difficult to watch someone you truly love and cannot help during their pain and suffering. God called her home. Now, she will be at peace. I cannot imagine how you feel, because we all grieve differently. It is not a day go pass that I miss my mother. I remember the fun things that we use to do. Whenever I am cooking, I try to remember how my mother would fix it, because we use to share the cooking together. It will take a while. Take your time.

Love,

“ Kim,
You did your best. Any mother would want you as a daughter. And like you always said your purpose at birth was to care for your mother in her time of need.

I know because of your faith, you will be able to make it through.
God Bless. My family's prayers are with you.###imported-
