“ *Yolanda and I sat next to one another in SCT training in 2000. She spoke so well of her husband and son. It was the first time I was away from my son and she was so supportive during those two weeks. I am so grateful to her for helping me through that time. I was so sad to hear of her passing. She was such a caring person. I will always remember her and how she touched my life.##imported-begin##Cindy Brust##imported-end##*

“ Kenny, Michael and Rodriquez Family - please accept my heartfelt sympathy at this time of loss. Yolanda and I have worked together for many, many years and she was one of the kindest person's I have ever met. She had a good heart, cared about others and treated everyone with respect. It was clear in very conversation, how much she loved her family and how proud she was of all of Michael's accomplishments. As we all grieve the loss of her physical presence, please remember that she is with you in spirit and that the spirit never dies. I will continue to keep you and yours in my thoughts and prayers.##imported-begin##Francetta Daniels##imported-end##

“ I first met Yolanda in March 2001 in DC when we were at training for Social Security/Office of Hearings and Appeals. Over the years we have kept in touch through email and the occassional telephone calls. I just wanted to let the family know that I will never understand fully how you feel, but I miss her, too.

May God bless you and keep you close

“ I will miss Yolanda deeply. I couldn't have asked for a better sister-in-law. I feel extremely fortunate to have known her for the past 10 years. I am thankful for the lifetime of memories I will have to take with me: going to Eastern Market with her and Rosa and loading up her truck with so many flowers and pots you could barely see through the windows; laughing (Yolanda loved to laugh) and joking with her and Rosa on our search for supplies during the big power outage; the 3 of us just sitting on our back porch on a nice summer day talking and laughing; and watching her and Rosa making big plans for their gardens. Thanks Yolanda, your joyfulness will always stay with me.##imported-begin##Jon Kwiat##imported-end##

“ To the Trail Family:

When my twin brother (Tyrone Banks) in Detroit, who lived across the street from Yolanda and her family on Pembroke Street called me and told me that Yolanda had made her transition my heart was saddened. I remember the love she had for her son and her family. When I first met her she reminded me of a family member in that she looked so much like we were related. What a beautiful woman inside and out. But, we know that life has no sorrows that heaven cannot heal. You all are in my prayers. I got a chance to see her before I moved to Roswell, GA last October and I will always remember her hug and that she wished me well.##imported-begin##Tracey Yvette Carrington##imported-end##
