“ *Aunt Mae and Family,*
I'm attempting to wrap my mind around this tragedy and I keep returning to the promises of God for my family and myself...My prayer is that the Lord would give us the answers we seek..... My prayer is that God give us peace that passes all understanding..that God grant us comfort....and that we all find reassurance..to face fear...through the Word of God....and through His Holy Spirit...to give us all strength to say....AMEN!###imported-begin##Rev. “ I'm forwarding my heartfelt sympathy to the Timothy family: We have all experienced the loss of a loved one to the enemy death, and the emotional pain is all the same. Our hearts break, when we hear our love one has died. Our Grand Creator Jehovah, feels the pain that you are going through. He had to watch his son Jesus, suffer at the hands of his enemies and die. But, before that, Jesus gave hope to the man who died next to him, saying: “You will be in paradise” Luke 23:43. Our Heavenly Father holds out a promise that one day soon, he will wipe all tears of sorrow from our eyes forever and death will be no more (Revelation 21:3-5). Our Creator knows our DNA, to bring back to life, those who have died. He promises that all those in the memorial tombs (graves) will hear Jesus voice and come out. reflect on the happier memories you shared with Terrell. Look at photos and videos; it might be painful at first. But, those memories will help you to heal. "Throw your burden upon Jehovah himself, and he himself will sustain you". Psalms 55:22 Prayer to God is not an emotional crutch. It is real and vital communication with the "God of all comfort", who will comfort us in all our tribulation". Proverbs 3:5-7; Isaiah 26:19 & John 5:28-29##imported-begin##Liz Malone##imported-end##

“ No one wants to see you go, we're all left asking why? With my pain and tears I have a heartache that will NEVER heal. In my mind I will keep memories no one can steal. I can feel your hand in mine and see your beautiful smile with those dimples. You haven't gone I will feel you here with me FOREVER. The love we have can't be replaced. You meant so much to me, and in my heart you will always be. I hope you can see how precious are me. I love you Big Brother and through this insurmountable pain I will love you ALWAYS!.....##imported-begin##Destiny Payton##imported-end##
