“ *May God Bless your soul. Just the other day I was sharing how you ran my PT test with me, in your full uniform, even though you had pulled CQ duty all night long! You were always one to do right and your were ax example of Equal Rights for all. It was such a blessing to serve with you in the Army and in the EEO field. You are truly missed!*

“ *OMG,*

I dreamt of you this morning. Funny, I haven't seen you since we were young. You reached me some money and said "Here, go spend this money." I looked down't it was \$5.83.

I laughed when I woke up, thinking about the time we walked to the store on 7 mile and Meyers for some Better Made chips. You're not physically here but somehow, your spirit spoke to me this morning.

LOL, I can't believe I heard from you and yet.....

Love you Ter!###imported-begin##Karma Oviquio###imported-end##
