“ Tall T, as young kids it seemed that we would live forever, I never thought I would see this day even though it is the one thing that is guaranteed to happen to all of us. As young kids it seemed that we have forever. This reminds a lot of us that life is short on this earth. You will definately be missed. The block wont be quite the same. I will keep your family in prayer. Until I see you again, REST IN PEACE.##imported-begin##David Gwynn##imported-end##

“ To the family of Terry Starks:

I want to express my heartfelt sympathy for the loss of Terry. Even though I did not know him personally, the bible is the only place we can find true comfort during this difficult time.

When we hear a eulogy, it should give comfort. But it doesn't. Why? Even though we die, it is something unnatural. Because, in our DNA pattern, Jehovah put the desire to live and never die. . Ecclesiastes 3:11 "God has put eternity into man's mind" or "their heart." What REALLY gives us hope? Not words to stir our emotions, but the truth found in the bible, which gives us hope that you will see Terry again. John 5:28-29 "all those in the memorial tombs WILL come out"..

Revelations 21:3-5. (My favorite scripture) Let me tell you why. "The tent of God (or God's protection) will be with mankind. He will wipe out every tear from your eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore, the former things have passed away." Does that include your tears, your mourning, or your pain. Yes it does. Why can we be confident that this will come true? Verse 5 says, "Look! I am making all things new." "these words are faithful and true."

Ecclesiastes 7:2 "Better is it to go to the house of mourning than to go to the banquet house. We all should take this to heart." After a funeral, many are rushing to get to the "banquet house" (or place where there will be food) This scripture is important, because when attending a funeral, it gives us an opportunity to reflect on our life course. We need to meditate on how we live our life now. Our everlasting life is in the hands of Jehovah God. We may die, but Jehovah by means of Jesus can restore us back to life.

1 Corinthians 15:26, talks about death being an enemy. We hate it. But it's there. Death "with be brought to nothing", says the bible.

*I hope that the words from the bible can give you comfort and know that others are thinking of you. If you are interested in a free home bible study, please contact www.watchtower.org.##imported-begin##

“ Terry, me and the girls are going to miss you so much. We will no longer see the dance you did with you lips poked out. Tiera and Tanae really do not understand why something like this had to happen. It is also very hard for me to accept. When people call me Kizzy all I think about is the day you gave me that name. It brings tears and laughter because you were so serious about that name. There are no words to describe how we feel right now. We just know that you are in a better place and that you dont have to worry about test results and hospitals anymore. All of your babies will continue to be a part of each others lives and will hold it down for you. We love you. KIZZY.##imported-begin##Kenjada##imported-end##

“ *May God comfort you in your hour of need
Imagine our loved one in God's embrace
With no pain or teardrops on his blessed face
Imagine our loved one now smiling at you
From a place where no sorrow can ever
come through.
May your faith and trust in God give you great faith and keep you on
the path of life where he walks today.
