“ *May the hope of Psalms 34:18 bring the Wales family much comfort during this time, God's word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.###imported-begin###Ariel###imported-end###*

“ This is a hard time for the family to deal with such a great loss, but please remember....GOD DONT MAKE NO MISTAKES. Its horrible that Uncle Wales is no longer here with us, but hes in a much better place now. In all honesty....its horrible and selfish of us to want him to still be here with us while suffering from Cancer and having no livelihood. Its hard as ever to give him up, but I wouldnt want to be here if I had to suffer and diminish like he had to. With that being said, we're going to miss u like crazy and Im going to continue whoopn butt and taking names in bidwhist (like you taught me) in you honor. Love Always, Shelle###imported-begin###NaShelle Bryant, Steven Lidell, Charnita Butler, Charles Butler, II and Charnay Bryant###imported-end###

“ *To the Wales Family.*

*You have my deepest condolences. Look to the Lord and he will keep you in his loving arms.*

*If we could have one life-time wish  
One dream that would come true  
We would pray to God with all our hearts for yesterday and you.  
A thousand words can't bring you back  
We know because we've tried  
And neither will a million tears  
We know because we've cried.  
You left behind some broken hearts  
and happy memories too  
But we never wanted memories  
we only wanted you  
To your resting place we go  
The flowers are placed with care,  
But no one knows the heartache,  
as we turn and leave you there.##imported-begin##SHELVY
