“ I only had the pleasure of meeting Mr. Brookins a few times. Every one made me smile. I have the pleasure of being great friends with his oldest daughter Pam. Through her kindness, savvy money managing skills and overall selfless heart I know the apple couldn't have fallen far from the apple tree. Mr. Brookins along with Ma Brookins raised a wonderful family. His legacy is in Pam, Bo Bo, Anita, Lajuana & Kim and the smiles they continue to share with this world. I LOVE YALL!

“ To The Nanny and Children,

*We thank God that He entrusted such a hilarious and giving vessel to us. We too are here on borrowed time and its the legacy we leave behind that makes the difference and Daddy Goat certainly left many wonderful memories in our heart. No one can ever take his smile away and his ability to always make one laugh. I personally would like to think that he and Bernie Mac planned their homegoing together because God and His angels wanted in on their comedy(smile). We believe that God is sovereign and we know when we can't track or trace God, we must just trust him.*

*Love,*
