“ I would like to express my deepest sympathy and prayers to the loved ones of Thomas.

I met Thomas working at Technicolor, he never had anything bad to say was always good to be around, enjoyed taking sports, like football, basketball, and he always help you weather you need it or not. He was a true heart person. He was always there when it was needed.

I will miss him dearly, and its hard to work knowing that him and I did the same job. But remembering him is always a blessing. I have nothing but great things to say about him.

*May God bless Keys family and friends.
Some day we will join him and praise God.##imported-begin##Thomas Coleman##imported-end##*

“ Thomas I just spoke with you at 5:30pm that day about the football pool at my job. You've been calling me everyday saying dont forget my football sheets because you were feeling lucky.I'm mad that I didn't get them to you that day but I got them right here for you now partner, just come and get them. You were an excellent neighbor who welcomed me and my family to the block.We use to talk about work life, family,cars,your daughters especially and even creating a block club because we felt we should give back to the community as you did when you threw those BBQ's and Parties. We looked out for one another. I have nothing but great things to say about you brother. May God Bless you and your dad, mother and daughters. “ So sorry to hear about your loss. Death of a loved one can be very difficult so I wanted to share a comforting scripture from the Bible at Revelation 21:3&4. " With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

According to the Bible death will be no more. It also speaks of a resurrection at John 5:28 & 29. These are promise from God. The Bible says he can not tell a lie.##imported-begin##Kai##imported-end##
