“ Tracy I hope you are doing well up there I miss your soft spoken words of encouragement you provided me with. You were my first supervisor when I got on recruiting duty. I still have nightmares from what happened to you. You didn't deserve it. You deserved nothing but joy and happiness. I miss you T. Your old shipmate. James

“ Tracy it took a special person to get to your Angel (Sonya) and you were the one. You taught her how to be a lady, which she is. You told her how to live and she is. For most you taught her to love. She love you. You two are the Lady and An Officer. You and Angel I love you both nad Tracy R.I.P and Angel hold ya head up.
