“ I Love My Brother!!Tremayne Tremayne you don't know what you ae doing to me! I was not prepared for this. My heart is hurting so bad. I can't stop crying! Big brother send me some strenth, I can't keep going on like this I have to take care of your neice and see about your children. Trey I think you are playing with your neice. Lately while I'm crying she will just look up into the sky and start to smile and laugh as if you are telling her something funny about us. Trey we always laughed! Maybe it's me but they say that babies can talk to the dead and I know Cobi is talking with you ,but for some reason I can't understand that you are gone.....I Love My Brother###imported-begin##Little Sister Constance##imported-end##
