“ *I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 21:3, 4. Christine and I express our deepest sympathy in the home going of your brother. As you go through this period of sadness know that the Lord is there to comfort you and give you peace, even in the midst of your storm. “ Walt, I will always remember you for your kindness and good heart that you showed from the first moment I met you. You were the best father in law anyone could ask for. Although I am sad that you have departed this earth, I am grateful that your suffering has ended and you are with the angels. May God bless you and may you rest in peace.

“ I will miss my brother so much. I remember when we were younger, playing together, dancing together, singing together. He was a great dancer and singer. He loved gospel music with Sam Cooke and the Soul Stirrers being his numbe one group.
I'll love you eternally. Rest well my brother, and give all of those gone on a big hug for me.

“ It can be difficult to describe the feelings we experience, when we lose someone we love so much. Revelation 21:3-5, Our Grand Creator promises to do away with pain, death and sorrow forever. Even Jesus provides comforting words at John 5:28 & 29, "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out". Luke 23:43 Jesus also said, "You will be with me in paradise". 1 Thessalonians 4:13-14##imported-begin##Mrs. Malone##imported-end##
