“ *To the Family of Mr. Burt, I'd like to offer my condolences to all of you. I am very sorry for the loss of your loved one. Just know that GOD doesn't make mistakes and he took him home to be with him for a reason. You are all in my prayers as I too have experienced such a loss of such a young loved one and it truly is not an easy thing to get through. Lean on one another for comfort and know that we are all praying for your strength to handle this unexpected tragedy in your lives.*

*Dolly, you know we all LOVE you here at Ford Motor Company and will do anything we can to get you through this. We truly miss your smiling face and great attitude when you're not here!!! You have a heart of GOLD!!! We're hurting right now because you are. Just know that we care and love you very much. Take care my sister!!!!*

“ To the family,  
  
My prayers and thoughts are definitely with you during your time of  
loss. I so wish that I could be there to support you, but I will leave  
you with this message in hopes that it will help towards your  
healing. It is ok to cry, but trust me that one day your tears will turn  
into smiles as you remember the good times you had and you have  
a angel watching you every step of the way. God bless you!
