“ My uncle was a wonderful man who enjoyed life and lived life to the fullest. He was never in any trouble with the law, or had any drug problems. He was great to my grand father Warren Sr. and took good care of him. He Obeyed the first commandment honor your mother and your fsather and he did just that.

His death is a surprise to me and I will miss him dearly. However, I had a wonderful time with him when he came to visit me two years ago we were very close.

I have peace with this sudden death and know that God was ready for him. I look forward to seeing him in heaven to be ther efor me and our family just like he was here for all of us on earth.

I love you Warren & I will Miss you.

“ Warren was always full of life and so adventurous. We didn't get to talk very often, but each time we spoke we would pick up where we left off and after each conversation we would end with "I love you." I will miss him deeply.##imported-begin##Diane McElroy##imported-end##
