“ Emma, I know how difficult this time is for you. I also know that God  
doesn't give us anything that we can't handle in life. I know that  
Eddie always loved Bob and you and I know that both Bob and  
Eddie are in heaven looking down on us. May God continue to hold  
you in the palm of his hand and bless you in days to come. My

“ This is just one story of many. Mr. Stanfield was a father to me. My brother Max and I were always over there. So i'll refer to him as dad. He used to always tease,taunt/outsmart me whatever you want to call it.We were pretty talented athletes when we were younger.So he challenged me to a race around the Shawcross circle. Now like I said he liked to taunt me this race didn't happenfor over a year. And I was confident that whenever it happened I was not going to let as i viewed him {old man} beat me. To make a long story short he beat me. And he never let me live it down. Everytime I would see him he would Poise in his runners stance and just laugh his head off lol never gave me a rematch. A lot of what I am is because of you and Mrs. Emma. I love you and will miss you greatly. Bobby, you have and always will be my brother. I love you all and you will continue to be in my prayers. Love Always, Kay###imported-begin###Kay Daniel###imported-end###
