“ I will always remember the fun days with my uncle Wayne. We never had a dull moment around him. He was one of the family jokers along with uncle Pete. He would tease us when we got in trouble and always made us laugh. He will dearly be missed by all but will never leave our hearts. I will always love and remember the times with you. Will be sure to see you again one day. Be there to welcome me, right along with Grandma and Granddaddy. Send them my love. R.I.P. Uncle Wayne.##imported-begin##Tamara##imported-end##

“ I want to express my heartfelt sympathy for the loss of Wayne. Even though I did not know him personally, we are precious in God's eyes. The bible is the only place we can find true comfort during this difficult time. This is not what Jehovah God intended for us. Death is something unnatural. In our DNA pattern, Jehovah put the desire to live and never die. Ecclesiastes 3:11 "God has put eternity into man's heart." The truth found in the bible gives us hope that we will see Wayne again. John 5:28-29 "all those in the memorial tombs WILL come out". Revelations 21:3-5; Isaiah 26:19 & John 5:28-29.##imported-begin##Liz##imported-end##
