“ *O, God, full of compassion. Thou who dwellest on high, grant perfect rest beneath the shelter of Thy divine presence among the holy and pure who shine as the brightness of the firmament to the soul of my beloved who has gone to his eternal home. “ Grandpa, when you were alive, Crystal and I would always tell you and Grandma that you were who we would like to be like when we got older. Why? This is because you have truly lived a successful life. I look at your family and all your friends as a testament to the lives you have touched. You have a loving wife, beautiful children and grandchildren, and many friends, all who love you and appreciate you. Thank you for giving me a vision of how to live life to make an impact and how to end life in style. Your legacy will not be forgot and we as your children and grandchildren will continue to follow your example and continue to run the race of a successful life.-With love and admiration- Kevin Sr.##imported-begin##Kevin Oliver, Sr.##imported-end##

“ Grandpa, It is with great hesitation that I post this message because the reality of you being absent from this earth is just too much for me to take. Knowing you are breathing easy and pain free gives me peace. My heart and soul aches for that beautiful wife of yours, grandma. We will do our very best to make sure she is taken care of both physically and financially until she meets you in Heaven. She is an awesome woman of God and thank you for blessing us with her through your amazing union. You are an awesome man of God, despite any minor imperfections, you were an awesome example of God's Love. My prayer for your legacy is that we, your family, can continue that legacy by being living examples of God's love as you always were. Not by just words but by acts of kindness, love and patience. Thank you so much for your legacy of love. You will never be forgotten and will always be in my heart in all that I do. For all that you taught me, for all that you endured, thank you and I will see you in Heaven later. With Love and the Utmost Respect, Your Grand-daughter, Crystal Ann Louise Oliver (McClure)##imported-begin##Crystal Oliver ##imported-end##

“ Our prayers go with you and you family in this time of lost. As we know GOD the maker and creator of all things has design our journey and at the end of the day he will call us all home. Those of us left behind will be saddened by this but we must remember the great promise of joy at the end of the race. So as hard as this may be we are not alone for HE is with us to the end. There reward GOD gives us is greater at the end of the road than what we leave on the road. So I will keep praying and I know he will bring you comfort.###imported-begin###Guy Wright###imported-end##
