“ Dear Bill's Family;

I am so heart-broken to hear that my dear friend Bill has passed on. I know he is in a better place but still have shed many tears since yesterday and throughout today. I worked with Bill in radio at WOWE in Flint MI and kept in contact with him over the years, especially on his birthday. I made a point to call him every year on his birthday. I visited him in Chicago a few years ago and we both joked about how old and gray we were getting! Even though we did not see each other as often as we would have liked after we left WOWE, I still considered him one of my very best friends. He had a huge heart, a wonderful sense of humor and a very creative mind. We had so many fun times together on and off the air at the station. He was the best morning show co-host I have ever worked with. His sincerity and kindness is not something you see much of in the entertainment world these days. He used to make me laugh so much that I thought my sides would spilt. One morning we were doing a bit on our show and we were laughing so hard, that we just left our microphones on for a good three minutes and the audience laughed right along with us. Bill just had a way about him ...he made everyone feel special. He could also be a little mischevious too...with his harmless pranks. I left Bill a birthday message on his answering machine this past May and he called me back sometime later in the summer. I didn;t have a chance to return that call even though I made a promise to myself when I had a free moment I would, now I regret so much, not being able to make the time. I wish so much I could hear his voice and talk to him about his new projects and the things he was working on. He always had so many wonderful ideas for shows and even though he had some disappointments, he never gave up. He was always working on some idea. Bill really made a difference in my life; not only as a co worker but as a dear, dear friend. I hope he knows how much I dearly love him and miss him. I want him to know I will never forget him and will always cherish the special memories and fun times we shared.

To the family and friends: You have my deepest sympathy. God bless you all. Bill will not be forgotten.

“ I am deeply saddened by the passing of Bill Myers. Bill was a mentor of mine at WDZZ Radio in Flint, MI. where I started my radio career as an intern in 1980. Bill was a true professional, wonderful air personality and great friend. I talked to him a few months ago and I'm glad I had the chance to tell him of the impact he made in my life. I admired Bill Myers. To his family from mine I offer my sincere and deepest sympathy, and prayers. May God Bless you during this difficult time.

Sincereley,

Sammie L. Jordan Jr.
