“ *gods arms are open wide and the angels rejoice in anticipation of your arrival..because you believed in crist's promise you are the son of man no longer.. now you are in the fathers mansion with all those who went before you.. now all the questions will be answered in the presence of god.. though our time together was short,i can bare witness to your goodness & love.. i pray you will remember me in paridise and tell my mother she taught me well,and i will continue praising christ's name to earn gods grace and be at her side once again when my journey is finished..i'm thinking about the words of a song that i was touched by,it says will you know my name if i saw you in heaven.. well sonny goodbye for now,until we meet again on the other side..###imported-begin###ted taylor##imported-end##*

“ Sonny -

*There have been angels in our life.*

*While they haven't arrived with a blast of trumpets or a ruffle of wings, I've known them just the same..... They performed their acts in human ways, sometimes displaying the faces of a family member or a friend, sometime posing as well-meaning strangers. - You have known them too, when just the right word was needed, when a tiny act of kindness made a great difference - or perhaps you heard a voice whisper - "Move on Sonny, Move on"..... We all now know your wings are ready, for you are one of those angels. This is your impact after we met only twice..... Ron Randell###imported-begin###Ron Randell###imported-end##*

“ Tommie,

*Those we love don't go away,  
They walk beside us every day,  
Unseen, unheard, but always near,  
Still loved, still missed and very dear.*

*And though it will be difficult  
In the days ahead  
Try to face the future bravely  
As Bill would want you to.*

*You'll meet him again  
And experience that smile.*

*Faith in the Lord will keep you strong.*
