“ *We have lost so many friends to cancer and Will is a great loss to our group of friends from Special Days. He was a very special person, who could make anyone laugh with just one of his great smiles. His family will be in my prayers and I plan to visit him, I am so sorry I did not hear of his passing sooner so I would have been able to come to his memorial service. I pray he is in a better place and in no pain, and in peace. I hope he knows that we will never forget him or that great smile and sense of humor. Hope he's playing basketball up there!##imported-begin##Jessica Hough##imported-end##*

“ *We love you Neece (not sure I spelled that correctly). Even tho we couldn't make it, please know that you and the family are in our thoughts and prayers. Me, Vanessa, my Mom, hopefully Nona, and maybe Tootie will come to visit with you a day or so very soon. Take care and again, we love you much!##imported-begin##Patricia Burks-Jelks##imported-end##*
