“ *I would like to send my deepest condolences to Mr. Mills' family. I had the opportunity to see Mr. Mills a few years ago and we talked for a couple of hours. He was sitting on his back porch and e was remembering when Billy and I would play with our baseball cards in the driveway and all of a sudden I approached him and nearly scared the daylights out of him. We laughed and had a great talk. It had been 36 years since we had seen each other but it was wonderful. We talked of many things. I hope if Mrs. Mills (I know he was divorced), is doing well and Crystal too. Once again, I am terribly sorry for is loss and I know he is in the loving arms of our Lord and Savior, Jesus Christ. Please feel free to contact me as I would love to hear from you. With my deepest sympathy,

From my family to yours I send my deepest condolences for the loss of your father. Although no words can erase the pain hopefully you can find comfort in knowing that he rests in the arms of the heavenly father.

“ Would like to express our deepest sympathy and condolences to the family of Mr. William Mills. Uncle Bill, as we affectionately called him, was a kind and gentle man who will truly be missed. He left a lasting impression with the young and old, and we are thereby grateful to have had him as a part of our life. His appetite for good food and appetite for enjoying life with family and friends will remain legendary. Our memory of Uncle Bill will truly live on. May the blessings of God keep you near and dear.
