When you lose someone very precious, no one else can really know all that you feel, but just know for sure that my thoughts and prayers are with you and your family during this time of grief, sorrow and pain. “ "West" we will miss you so much. I will miss talking to you about the pistons and other basketball teams that we watched. I will miss trying to instill in you my point of view, of course you rejected it, and your comment was: you are not right all the time. I'm really going to miss you "Junior" and I love you your cousin/sister: Bob###imported-begin###Bobbie & Reginal Lee###imported-end###

“ *My special, cool cousin!!! We had such a unique relationship, that it's hard to believe you're gone. I'll never forget our conversations, the laughter, and your thoughts toward me. I guess now I am going to really have to manage my own modeling and entertainment career since you're not here to do it with me!!! Thanks for sharing your down to earth and real life with us all. You will be greatly missed.*

“ West,
What can I say man? We will miss you and your cool mannerisms. Nobody could wear a hat like you. Ya held it down for the Old School!! The only man I know that still used the term, "Mellow"! I would always tell you that was out of date, you have to catch up to the day. All that we did was laugh and crack jokes. I enjoyed the time we got to share together and the memories that we have. We had a connection that was irriplaceable. You may be gone but, not FORGOTTEN!
We love you "Mellow"!!
