“ *Kim,*

My dear sister/friend:

There are no words to express how hurt and empty I feel. I remember many high school nights at your parents house and your dad giving us advice and making comments about something we said or did (while shaking his head). He moved us into our first apartment in college and forced us to learn how to stretch a dollar. There are so many memories all very fond and loving. His legacy is that he raised a wonderful daughter who he loved very much. I love you and I'll miss him.

Love always,
