“ Tonya and Family, while no words of mine can ease your loss, I just wanted you to know that I am grieving with you and thinking about you at this very difficult and sad time. The world has lost someone very special. We who knew and loved Willie have some idea of how great your loss truly is. We all held Willie in the greatest affection and respect. I hope that you can find some comfort in your many special memories and in the thought of the happy years you shared. May the love of family and friends comfort and strengthen you in the days ahead.##imported-begin##Pamela Ross, Little Brownie Bakers##imported-end##

“ Words are difficult in time of death...Willie's legacy will certainly live on. His character, his smile and his way with people will always be remembered. Willie was so proud of his children and Tonya. Whenever he spoke about the children and Tonya he did so with a glow and a smile of great joy!
I will miss a true friend!
