“ *To my dearest brother Clifford, you and I have faced many challenges in our lives and managed to make it through. Right now I know your heart is full and if I could take your place and spare you from this sorrow, I would. I walked this path ten years ago and now it is your turn. Be strong, “My Brother” and know that we both love you with all our hearts and we will always be here for you. Remember, God never gives us more then we can handle, He is teaching and showing us, that we are Stronger then we think”.##imported-begin##Dan and Cheryl Horton##imported-end##*
