“ *To my dear father n law thank you for giving me the oppportubity to have your daughter LaVonna's hand in marriage and allowing us to share our lives as one. I could not have had a better role model to go by when I became a husband. Your dedication to your wife Virgelean and your children was trully unconditional. I will miss the few days I would come over and do the yard and you would help sweep the driveway or load my truck. You were suppose to help me drive a semi but you didnt. But remember when I do learn I know you will be right by my side helping me. It has truly been a honor to have spent a little bit of time with you and your family. The time has been short but special and I will cherish it until my master calls me home. Will, I know you are in heaven planting your vegitable garden getting ready for your love ones to come home. While your planting we will be celebrating your life. Will, job well done my friend. May you rest in the hands of the father forever.##imported-begin##Mr.Martin Jon McNeeley##imported-end##*
