“ *My heartfelt condolences and sympathy go out to the entire Neloms family, particularly to Beverly. Willie was my best friend. We were more like family than friends. He will certainly be missed. There will never be another Willie Neloms. He embraced a sense of integrity and loyalty that is very rare to find in most people these days. But more importantly, his hallmark was his love for his family. He was a dedicated and committed man to God and to his family. May God bless Willie and all the riches he brought to us through his big smile and generosity.*

Sincerely,
