“ Uncle Will,

God looked around his Garden and found an empty place. He then looked down upon the earth and saw your loving face. He put his arms around you and lifted you to rest. Is Garden must be beautiful because he always takes the best. He knew that you would never get well on earth again. He saw your path was difficult; he closed your tired eyes and whispered to you “Peace be Thine” and gave you wings to fly. When he saw you sleeping so calm and free of pain. We wouldn’t wish you that much suffering again. You’ve left us precious memories; your love will be guided. You live on through your children; you’re always by our side. It broke our hearts to lose you, but you didn’t go alone. For part of us went with you on the day God called you home. Love your niece, Regina C.##imported-begin##Regina C.##imported-end##
