“ My Uncle Wyman was his own man. It was so apparent when I got a chance to meet his wife and all his children one summer. The love and respect that was given to him - unconditionally was so obvious and could have only been commanded by a man of respect. I will always remember his carefree spirit when he came to DeRidder. He would walk from one end to the other. He always had a smile and look of love for all of us. I love my uncle and will miss him terribly. I hope his love for family will make us strong and remain a league of Stewarts. God needed real men and warriors so he called Uncle home. Be not dismayed God said " I AM". Love all of you.##imported-begin##shelette (crawford) McCrae##imported-end##

“ Mr. Stewart was a gift from God and I praise Him for letting me get to know and love him. I will miss him terribly but he will always be in my heart. His children were very fortunate that God gave him as their father to teach them how to love God, and love each other and others. If more men were like him the world would be better than it is now.

Mrs. Stewart, God will give you the strength you need to carry you through this time of loss. Cherish the memories that you have stored up for the past 62 years and the love of each other.

You can call me anytime, I will be there for you.##imported-begin##Vivien Green##imported-end##

“ *Wish I could be there to celebrate this homegoing with you. Just think he got to spend his first Christmas with Jesus this year. What a wonderful way to celebrate his new life. He was a great man and will be greatly missed, but think of the legacy that he left in all of you. Even knowing this will not make it easier to see him go and there will be tears a plenty. God Bless and keep you all. Your relatives in Ft. Worth.*

With all and love and deepest sympathy.
