“ Wenn Neptun sein Ffcllhorn ausschfcttet .23. Oktober 2011. Wir farehn zum Tauchplatz Malcolm bei recht bewegter See. In etwa 20 Meter Tiefe begrfcst uns eine grosse Schildkrf6te, die mit Weichkorallenfressen besche4ftigt ist und bei ihrem Aufstieg wird sie von einer schf6nen Gruppe Fledermausfische begleitet. Ein grosser Napoleon beobachtet uns und beachtliche Schwe4rme von Ffcsilieren ziehen auf und abwe4rts vor einer schf6n bewachsenen Wand.Und dann haben wir fast vergessen zu atmen. Aus der Tiefe zieht ein kreisrunder Koloss auf, beinahe unbeweglich und ffer uns doch zu schnell um ihm zu folgen. Ich habe meinen ersten Mondfisch gesehen und erst noch ein riesengrosses Exemplar. Wir gucken einander an und wir wissen sofort, es hat alle gleich beeindruckt und wir sind nicht nur wegen dem Atemregler sprachlos. Wir machen den Tauchgang mehr oder weniger konzentriert fertig und auf dem Schiff haben wir unglaublich viel zu erze4hlen und zu fragen. Als dann noch ein Dugong neben dem Schiff auftaucht und Luft holt und uns eine Schule Delfine ein Stf6ck auf dem Heimweg begleitet, war es dann bald des Guten zuviel ffer einen einzigen Tauchgang. Einer von vielen unvergesslichen Tauchge4ngen auf dieser Reise.##imported-begin##Maria##imported-end##

“ I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comfoting was encouraging words from Jehovah found at Revelation 21: 3, 4. “ To Y and Shirley and the Shavers family, our prayers and love are with you especially at this time. May God continue to cover you with peace, strength, love and his comfort as only he can. Know that Huey will always be in your heart as well as so many others. Words cannot express our deep felt sorrow. We will continue to hold up the family in our prayers. We love you.##imported-begin##Robert and Gina Triplett ##imported-end##

“ I meet Wyman in 2009, I had just lost my son. He was so kind when he introduced his self to me we exchanged phone numbers. He met me at church that following Sunday to fellowship with me and my family. He told me he was a Gemini and so was my son. I knew than that he had a heart of gold. Seeing him in the neighborhood he would always pull over and we would have a conversation he told me he moved to Ohio. I miss you and love you dearly, and my prayers go out to your family.##imported-begin##Denise Anfield##imported-end##

“ May God bless Wyman and your family forever. I was truly blessed to have known him - he was always a good and gentle soul- even in difficult circumstances he was always grace under pressure and a natural peacemaker. A true gentlemen. It was so evident that he was raised properly, with good at the core of his heart, and that he had been surrounded by love from his family and those closest to him. I am so sorry that he was taken in such a senseless manner - although I am sure that he is part of God's larger plan - but he will be a constant reminder that we need to find ways to love each other and get along in this world. He and your family will always remain in my thoughts, hearts, and prayers. God bless him and may peace and sympathy be with your family.##imported-begin##Larry Shulman##imported-end##

“ May the hope of Psalms 34:18 bring the Shaver family much comfort during this time, God's word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.##imported-begin##Ariel##imported-end##

“ Dear Shaver family (my family). Our hearts are very heavy with sorrow right now. But we must trust and believe that God will see us through this tragic time. Those who knew Huey knows he was an amazing loving person with an affectionate smile. He will be terribly missed. We love all of you so much and we are here for you. “ Dear Mother: I would not presume to say that I know what you are going through or that I know the depths of your pain. But, as a mother I can say I my heart hurts for you and I wish that I could change all this for you. I don't possess that power. None of us do. (Psalm 89:48) There is only One Person in the entire universe who can undo what has happened and that One is Jehovah God who made all things (Revelation 4:11) and has the power to arrest death (Psalm 68:20). He blessed you with a beautiful gift, your son, Wyman. (James 1:17) He would not be so unkind, so unloving, as to break your heart and take that gift from you by any means. (James 1:13) In his Word, the Bible, he clearly teaches us at Hebrews chapter 2, later part of verse 14, that Satan, the Devil is the one responsible for death, not God. As the Source of Life, (Psalm 36:9) Jehovah God tells us at Isaiah 25:8 that he purposes to 'swallow up death forever'! Our loved ones who have died will, in his due time, be awakened from the sleep of death to enjoy life again. (John 5:28,29; 11:11-14). Mankind will then be able to live out his days on earth (Psalm 37:29) as God originally intended (Psalm 115:16) happy, in peace (Psalm 37:10,11) free of sickness (Isaiah 33:24) and, yes, free of death! (Revelation 21:4) May these Bible truths bring comfort, reassurance and hope to your heart that you can see your son again. It is Jehovah God's desire that you do and he has promised that you will. (Titus 1:2) Please accept my heartfelt sympathy.###imported-begin###joyce jones###imported-end###
