“ I would like to offer my sincere condolences to Steve, Thomas and the entire Johnson Family and friends. I know that it's hard right now losing a love one but you'all try to go on and be strong. Your mother loved you all very much and I do to. I was happy to have her in my life as long as I did. Alberta and I were the last 2 kids left at home out of 15 children, which made us very close. Over the years we shared many long conversation and laughs together and that will surely be missed, however, God knew best.

I will miss her very much, but please know that she was loved dearly by me and her entire family. May God Bless and keep you strong today and in the days and years to come.

Love,
Alberta's Younger Sister

“ Stephen,

Shamira and I are saddened to hear of your loss. Be encouraged in the Lord, and believe that you will see her again according to John 14:1-3. Till then hold on to good memories.

John 14:1-3

Let not your heart be troubled: ye believe in God, believe also in me.

In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.##imported-begin##Michael Fahie##imported-end##

“ To Stevie, Thomas and Family,

Aunt Alberta was a woman of mystery. She didn't talk that much but you always knew that she was thinking about something but just didn't express at that time. She always was willing to help those in need. In the days to come, please keep those and many treasured memories in mind. We will all miss her, but God took her at the time when he did for a reason. We may not understand but only God knows.

May God bless you and your family at this time.

Love,

Your Cousin
