“ Aunt Bertie,

*I will always love you. Thank you for all the love you've shown, even before I was old enough to know (2 months old!) I still remember how you would get up in the morning and read the scriptures aloud and always answering "...if the Lord wills... and how you were always opening your door, whenever I needed your attention and affection. I wish I was able to see you again, before you had to depart. I already miss and will continue to miss your warm, sweet, rich voice, giving encouragement and care, touching so many lives, especially mine. It is with many tears, I leave this message. But, I sincerely thank you for what you've added to my life. God bless...Love Always, Nikki*

*To Charlotte, Zachery, Krista, Tiffany, and family: I know that the peace of God is with you during this difficult time and through the earthly loss of such a WONDERFUL person! I love you all and will be in touch.*

“ To the moss family you all know how close me and Auntie Bertie was. she was like my other grandmother she taught the right from the wrong. I remember one day my mama took me to play Phase 10 with Auntie Bertie, Alicia, Zac, and Auntie Krista. When we was playing she kept a smile on her face the whole time I was there. She made me feel comfortable and like I was at home. Now when I play Phase 10 i will picture her telling me what move I should and shouldn't make. She might be gone out this world but she will never leave my heart.  
I love you Auntie Bertie and the rest of the Moss Family,

“ *The Ninon family [Ginette, Sonia, Franck, Mom & Dad] wishes to express its deepest sympathy to the Moss and Kimbrough families. Mommy Moss was indeed a gentle, caring, and loving woman. Though I will miss calling and speaking to her, or playing ‘phase 10’ with her, I trust that her smile, gentleness, and words of wisdom will live on and be with me forever. I will always remember the good times we have had during her visit last year. May the Lord comfort and strengthen you during your time of bereavement. You are in our thoughts and prayers.*

*You all know how I felt about Aunite Bertie! I might of said Aunt Bertie, but she was like mama to me!!She touched the lives of everyone she came in contact with.I would do anything she ask me to do. I'm going to miss all that good cooking.I'm going to miss calling her and asking her for scriptures to read and we end up on the phone for a long time. You know she get excited about the word of God. “ My dear family, it is with much regrets that we cannot be with you all during this very special time in your life. It is comforting to know that Berta is in the very best place-the place that was prepared especially for her. I can imagine that she is walking the streets of gold right now. She read and practiced God's word so much that she knows just how to communicate with Him because of the relationship and love she had for Him. The WOD says "For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap EVERLASTING LIFE!!!" Galatians 6:8. Isn't that awesome! We all knew what Berta reaped. She loved the Word; she lived the Word; she taught the Word. She always let her light shine.

*I will be up there as soon as Daisy and I decide what's a good time.*

*Be Blessed and know that God is love!!!*

*I love you all!!!##imported-begin##Quincy Taylor##imported-end##*
