“ *I still can't wrap my mind around Ms. Alfreda going on to glory. God does know best and she touched so many lives that we can rest assured that her purpose here on earth was finished with success, then some. There are so many memories, so many talks, so many emails and I will treasure each of them When ever I was in Ms. Alfreda's presence it was a learning experience and always helped me through what ever it was I needed even when I didn't know it. Rest in eternal peace Ms. Alfreda and thank you for making me a better person.
With love,

“ Your mom always had good things to say about you. She always looked forward to your visits. She was a great lady. I got to see her almost everyday that I worked at the center. She was a caring person. We shared books and she was a great connection for music. She even brought pears from the backyard for me one summer. Alfreda will be missed.##imported-begin##Nora O'Brien##imported-end##
