“ ALICIA...ALICIA!!!  
Cuz I still can not believe that you are gone. You can not even imagine how many lives you touched that will cherish your memory. I know that GOD knows best but I can help but to be sad when I think about not seeing your pretty smile again, hearing you laugh, your drop-bys, "WHAT UP CUZ :-)"  
I am glad about our talks and that I was able to impart some golden nuggets in your life.  
That day on June 10, 2007 it was no mistake that you ended up at my house and the chain of events that hapened after. I am glad I was able to be there for you and I will be there for Kemille, Kamron, and Kolin.  
Love always your big Cuz. Angel  
Dang baby! you're gone.##imported-begin##Angel Ewings##imported-end##

“ I loved Alicia. She lived across the street from me. I had known her since she was 8 years old. Such a lovely girl that grew into a delightfully sunny competent young lady and very good mother. She will be missed and thought of often. To the family, be strong. God is with you and Alicia. She is without this world's problems and you will see her in the by and by.
