“ Dear family of Anita:

*I stopped by yesterday to pay my respects. Please know how much Anita was loved and respected by all whose lives she touched. I rode the bus with Anita down to the Ren Cen each day and we had many fun times and many heart to hearts as well. She will be greatly missed but has left a permanent impression in my heart.*

*Sincerely,*

“ Anita's family: My deepest and sincere regrets go to all of you on the passing of such a beautiful & remarkable woman. She was truly an Angel. I had the pleasure to work with Ms. Nita, at 11 Mile where I was her Manager. Ms. Nita was there for me through the passing of my mother almost 2 years ago. So thoughtful and always putting others before herself. May God Bless you all and know that Ms. Nita is another angel brought home by God to watch over us all.##imported-begin##Ms. Sharon G. “ To the Head family,

*My deepest and sincere regrets go to you on the passing of such a beautiful woman. She was truly a remarkable person, very helpful, and loving. I had the pleasure to work with Ms. Nita, at 11 mile where she was my supervisor. I also, had the pleasure to work with her at the Renaissance center as well. She was a joy to talk to, no matter how she felt within, she always had a beautiful smile. This woman will be missed by all including the QEK family. I pray that GOD, cover you all with his precious love. Sometimes as people that are still left here on earth, do not understand why a person was taken, but two things are for sure, GOD don't make mistakes, and GOD offer people a better opportunity.*

*God bless, love the Downer Family*
