“ *Thank you to the Robinson Family for sharing Miss. Armel with me personally and the Marygrove Community as a whole. The one thing that always comes to my mind about Miss. Armel is that she was a loud bass drum that allowed us to hear her unconditional love and commitment to her lord, family, friends and co-workers. Her compassion and commitment to her faith was truly an everlasting example of how the human being of all races and stature must live their lives. Job well done my dear friend may you live eternally forever in the loving grip of the Lord Our Father, Jesus Christ.##imported-begin##martin jon mcneeley##imported-end##*

“ To the Robinson Family,

I wish to offer my deepest condolence to your mother. I used to work with your mother at Marygrove College and she was loved by everyone. She will definitely be missed and remember that one day you will be reunited with her again. GOD loves you and so do I.
