“ *It's been 8 years and I still remember this day and phone call at 11:30am to get to the hospital and now it's 6:33pm ... by now Dr's had place you in ICU and told us to call the Family. I knew the God had walk that hall way and he picked his best flower to come home at 1:23 am We waited until your baby sister drove thru a snow storm from Ohio to say she will see you later. I Miss you like crazy..... I smile every time I think how blessed I was to have you as my Mommie.... Rest In Paradise Love you.... Betty J Coleman.*

“ Betty-

As much as I remember all of the laughs we had, there were a lot of moments of great wisdom coming from behind the jokes. You were always very easy to talk to, and being a friend of your daughter's who spent a lot of time around you, I grew to love you as well. You will truly be missed, but forever in my heart.##imported-begin##Geni##imported-end##
