“ To our wonderful sister whom we have watched grow into a beautiful and fun loving individual we miss you so much. Carmen and I are so glad that we had the opportunity of having you in our lives. You were the little sister that we never had. We are so grateful that you have gone with God even though it hurts us tremendously however, we understand that this is his will. We know that one day we will see you again. And yes "WE ARE SERIOUS"

We Love You very much and you will truly be missed.
