“ *Brittany will always remain in our hearts as she has touched us all so sweetly in her own unique way. May she find everlasting peace and forever remain in our memories. May she be a Guardian Angel to those she has left behind and may she care for and watch over them as they had done for her all of her life.###imported-begin##Dalton Crist###imported-end##*

“ I am sorry to hear about your loss, I am not good with words so instead I offer this poem:

*Children who die are not really gone,
But go to a place that is something like home,
Where they sleep the deep sleep, as quiet as stone,
Until we can join them when our lives are done.*

*Children who die are not really dead,
But just like good children tucked into bed,
Wait the long wait while we go ahead
Till our tales are all told and our tears are all shed.
Children who die feel no pleasure or pain
In the place where they wait till they see us again,
And all of us dance in a world washed with rain
Where the sun shines so brightly no sorrows remain##imported-

“ There is nothing that I can say to ease the pain of losing a loved one. The connection and bond you share is eternal and will never be forgotten. It was my pleasure to meet Miss Brittney and I will miss her. My heart goes out to you and I will continue pray for you and the rest of the family. Life is a blessing I do want to thank you for sharing, Brittney, your blessing with me.

*May God Be With You
