“ *I'm mad n sad that I wasn't able to say goodbye. I heard a pastor say once when God talks about death he is never talking about the end of life. Death is a portale it is a door to the next relm. Without it. Its impossible to move on. Death is a friend to a saint. Bless it are the saint that die in the lord. - So knowing you are no longer suffering gives me comfort. I will miss your smile n your straight to the point conversations. You r gone but will never be forgotten. Rest in peace my love

“ *I love you Cassandra Washington. You were a fighter n didn't take mess off no one. A Beauty mind body soul n now spirit. Absent from the body is closer with the lord. Say Hello to Evelyn for me. Sandy you will be deeply missed. To Sondra n Derrick there is really nothing I could say that replaces your lost. But know that you were n still truely loved by your mother. Now in your life she lives with in you n your children. Stay true to yourself n act as the person she raised you to be. I love you both very much n I'm here at your service. Toya aka Penelopia. Here to serve you###imported-begin##Toya###imported-end##*

“ Upon meeting CW I thought she was mean. Quite the opposite, she was one of the most kind and giving people I've ever met. In nature, diamonds don't first appear to be priceless, but look inside and you'll see real value. CW was a gem, and now she will shine forever. Thank you FATHER GOD for sharing her with us.
