“ *It's said that God gives us memory so "WE WILL NEVER FORGET".*

Some people come into our lives and we don't really realize the mark they leave until their gone. Their touch will live with us forever leaving a footprint on our heart and we are never ever be the same.

Christina and I met at a tender young age; two bright eyed kids on a bus headed home from school and I offered her my seat is where it all began. As time went on, our relationship grew. As we matured, Gods plan for our lives took us in separate directions resulting in different destinies. Even though many years passed, we still remained friends and I will always remember her smile, laugh, and her voice. I love her (not in a romantic way, but as a true friend for life). She will always have a special place in my heart and I feel honored to have been a part of her life.

To her family, as you grieve the loss of Christina, please know that you are not alone in your grief, but I as well as others share your pain of loss.

May the hope-filled promises of our Lord gives you comfort and joy knowing your Tina will be remembered. May God's peace, presence, and solace fill your heart and soul; today and in the days to come and may you ever feel His love beside you. I and my family's thoughts, hearts, and prayers are with you.
