“ Calvin, Pam, Sinithia and Cortez: It goes without saying that TT was a very special young lady. To me she was one of my kids. From the first day I met when she was a little one, even before she was put on the vent, she had part of my heart. She put the "girl" in "girly". I think she started getting her nails done before me! She was my very first partner at Vent Camp some 18 years ago! Even after I moved to working in the kitchen we always carved out time at camp to talk and get caught up on our lives. Thank you so much for sharing her with us. The service was beautiful - a true celebration of a very corageous young lady. She will be greatly missed, but rest assured never forgotten. With love...Marietta Brooks##imported-begin##Marietta Brooks##imported-end##

“ I didn't have the opportunity to get to know Ms. Watson personally, but her work has touched our family, and many others, in a significant way. Our children, Austin and Michaela, attended Camp Trails Edge for the first time this past summer. It was such an amazing, joyous, and positive growth experience for them, thanks to Ms. Watson's involvement in the camp throughout the years. My thoughts and prayers are with her family.##imported-begin##Melissa Davert##imported-end##

“ Calvin, Pam and family-  
Tee Tee captured my heart our first year at Trails Edge Camp with her bright smile, amazing braided hair, and ears that were a little too big for her petite frame. I will be forever thankful for the priviledge of watching her mature into a beautiful, compassionate and sassy : )young woman. Her love and joy for life will be greatly missed, though I do find comfort that there is such an angel in heaven watching over us.  
Thank you for sharing her with so many.  
With love, Kelly##imported-begin##Kelly Krawcke ##imported-end##

“ Pam, Calvin and family,  
Know that you are in my thoughts and prayers. I learned so much from TeeTee and you my first year as her helper at Trails Edge camp. You have all made me a better doctor to this day. TeeTee and I called each other "punk" for the next years, and that she was, with her wry smile and twinkle in her eyes! She has and always will hold a very special place in my heart. Peace in your loss. Fondly,

“ I know I don't have to tell you what a remarkable girl young women Tee Tee was. The first day I met her at vent camp it was 2001. From that day on she never forgot my name and I never could forget her smile. She was such a joy to have at camp. She could rally together all the girls in cabin one better then any of us could. She would help out with campers that were home sick and get them partisipating and enjoying the rest of her week end. She was remarkable and I find it a pleasure to be one of the RTs that she touched in such a special way. A Tee Tee way. A touch only she can give. I am so sorry for you and your family and I am sure you have much bigger and badder memories of her. Hold tight to them in these hard days. “ My sincere condolences to the Watson family. May the God of all comfort ease your mind and heart in the days ahead. Jehovah has promised a resurrection of the dead (Acts 24:15) and he promised, the time is coming when:"...death will be no more, neither mourning, nor outcry nor pain will be anymore". (Revelation 21:3.4) Corthia and many others have the opportunity to be resurrected to life on a paradise earth soon to be. God cannot lie (Titus 2:1). Trust in Jehovah with all your heart, and do not lean on your own understanding; he is the one who created us and knows our DNA to bring us back to life. It's as good as done! Keep His words close to your heart as you treasure the memory of her.##imported-begin##Liz##imported-end##

“ TeeTee,

*Always a smile and a style all of her own...never an unkind word did anyone hear. For 7 years I knew her at school and at camp. She truly was special as we all knew and became even moreso as she grew. We all learned valuable lessons from her and will remember her always as she looks down on us from above.*
