“ I just had to come back because there are so many things that I want to say. Its just so hard to believe. But we all must travel down the same road one day. Some before others but if nothing else is promised this will be..CYNT...as I called her was put to rest so nicely in her pink dress...Mikey be strong as I know you are...To the rest of the family be encouraged and just love one another so much...With love and sorrow in my heart...Kennetta..i want to say a little poem that was just put on my heart...
Life a treasure worth more than gold..
Life cannot be bought can never be sold..
love a feeling of truth, of joy, of content...
loving life because its heaven sent..
when this life we love is through
I know this is not all that is planned for you...
but while we are here lets just love life...
husbands love your wife..and wives you do the same, we cant play with life its not a game..
Sons just love your mom and dad daughters dont spend your life always mad...Just live and be a blessing while living...because true love in this LIFE is a gift worth giving...##imported-begin##Kennetta Harris and Family##imported-end##
