“ *To the Ligon family, my thoughts and prayers are with you and yours. I had the pleasure of working across the hallway from D'Aira's class when she was at Leonhard with Mrs. Littlejohn. She always had a smile on her face and keys in her hand! May God continue to bless you and guide you through this mournful period.---*

“ *To the Ligon Family:*

*Please know that you are in my thoughts and prayers. I have missed D'Aira since she was last at Leonhard Elementary in Southfield. I will always remember her love of music and her Barney song. She is in a better place now and her memory will stay with us forever.*

“ When a child becomes an angel  
they are first to get their wings  
they are first in line to meet God  
and hear the choir sing  
so while you may be sad  
always know  
that your little angel's with you  
every where you go.

“ So very sorry to hear of the loss of your little precious angel. Just try and remember the good things, the fun things, and the special things that you shared with her. It will always be a lost part of your life, but God will and can see you through. He didn't bring you this far to leave you.##imported-begin##Ms. Linda R. Fate-Dase##imported-end##
