“ I'd like to give my condolences too Desai and family and I will keep you all in my prayers. I had the privelege of knowing Dana from work in the Allen Park office, this woman has never meet a stranger. She is unforgettable, I can recall when their would be a party going on and Dana would say are you going, and I would reply no I don't have a date. She would say so what come on I'll be your date, and a good date she was because the girl hardly ever sat down at the cabaret.(UNFORGETTABLE)##imported-begin##charita hightower##imported-end##
