“ *Dajanay,  
No words can be found to tell you how sorry we are for the loss of your mother. The love that you shared with her will forever be in your heart. There are many things in life we cannot understand, but we must trust in God's judgement. You are strong (your mother saw to that) and the love of family and friends will give you comfort and the strength you need at this time. We love you and are always here for you.*

*Always and with Love,  
Your Tucson & Phoenix Families*

*Alan and Sandy,  
I know that the loss of a sister is difficult. Each of us has a relationship with our sister that is different than anyone else's. Keep each other close and share the stories and memories of your sister. She will always be in your hearts. I pray for your comfort and your peace. God bless you.*
