“ *Mom I miss you so very much it's been 14 years now and it still seem like yesterday that I lost you! I know in my heart that you are looking down upon me and your grandkids and great grandchildren! I wish you were here with me on earth but I will carry our memories forever until we meet again Queen! I wish this pain would go away but it won't as I type this tears roll down my face I wish things were different! I'm in peace and humble that you are not in anymore pain! I love you I adore you I cherish you in my heart forever & ever Love you from your Baby Girl*
