“ Grandma, I am going to miss you so much! You always had a heart for your grandchildren and for that I love you more. One thing that I will forever miss is how you joked around so much... laughter is always good for the soul. I cherish the moments that you spent with us playing UNO!!! You always had to win...I know you are in a better place and I am going to miss you! Love your granddaughter, Ros###imported-begin##Roslyn Rhodes###imported-end##
