“ Hi NaNa, my heart is very heavy. I'm sadly missing you right now. I could not wait for the day that we meet in person. Even though we have talked over the phone, it is not quite the same. You are a beautiful young lady. You look just like you dad. No one could never say that Angelo is not your father. I yearn for all of the years that we could have gotten to know each better. I'm sad that you never got to meet your 3 cousins, my sons. Even though they never met you, they cried for what could have been. I'm sad, my heart is broken, sometimes i can't breathe. I feel like i'm choking. it's very hard to hold back the tears. You're so pretty. You can't say the Joe's didn't believe in eating. Yes, you are definitely part of the Joe family. I miss what should have been and what could have been. Your dad talked about you all of the time. I just wish you really knew how much he loves you. How much we all love you. We all get tired from time to time and we're all going to have to take that final rest. Now's the time for you to rest. You will always hold a special place in my heart. I love you. It's not goodbye but see you later.###imported-begin##Janice M. Tyner (Aunt from DE)###imported-end##

“ I see cant believe this, im still thinking that im going to wake up and it will just be a dream. You were full of life and joy and always kept a smile on someone face. So many memories I have of you at Ford with Enija acting a fool and the memories of you at Taft always casing Kelvin. It's so hard to say goodbye, so im not cause this is not a goodbye, fore one day I'll see you again, so save a spot for me in heaven. Ill see you later ~R.I.P~Dorotha~~Gone but never forgotten~~###imported-begin##Charmaine Payton###imported-end##
